Works for me, and thanks for the explanation! Makes sense.

Kimberly – I will share your comments with the team and see if we can add some clarification on slides. I'll ask them to be sure to explain that clearly when presenting if we can't get the slides updated. Regarding slide 8, I believe

Ex. 5 Deliberative Process (DP)

Thx. - Monisha

Just a couple things before tomorrow.

Slide 8:

- I don't understand the difference between the last two bullets as written – Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Slide 10:

- I can't quite tell from how this is written whether we agreed with the comments or disagreed (unless I already know the answer from reviewing the doc). It's probably worth prefacing our sub-bullet responses with "EPA agrees..." or "EPA disagrees..." either in writing or verbally, Ex. 5 Deliberative Process (DP)
- I also can't tell the difference between bullet 2 and bullet 4 – Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Thanks!
Kimberly
